

Miami Sunset Senior High School

Summer Reading List 2021

All students enrolled in Regular and Honors English for the 2021-2022 school year will read **both** selections for their grade. Then, students will choose from the following options for each book (**option 3 is not available to Honors English students**):

Option #1 (available to all students): Write a one-page “pitch” to a movie producer explaining why the story would or would not make a great movie. Use evidence by citing or quoting interesting parts of the story. Your pitch must be one page long per book, double-spaced.

Option #2 (available to all students): Create a timeline of events for both books you read. Each timeline must have 10 divisions. Be sure the divisions of the timeline reflect the time period in the plot. Use drawings or magazine cutouts along with words/phrases to illustrate events along the timeline.

Option #3 (not available to Honors English students): Draw an empty head and inside of it draw any symbols, words, or images that are bouncing around in the mind of the character in the story.

****You must choose one option for each book you read. Option 3 is not available to Honors English students. You will turn in both assignments to your teacher on August 25 (A day) or August 26 (B day), 2021.***

9th Grade, Regular and Honors English:

Fade to Black by Alex Flinn
